Backoffice

The screenshot displays a web-based GIS application interface. The browser window title is 'GIS Administracija - Mozilla Firefox'. The address bar shows the URL 'https://julius.projekt.si/julius-gis-admin/secure/line/'. The interface includes a sidebar with navigation options: 'HOME | POINT' and 'NEW LINE'. Below 'NEW LINE', there is a table listing line data:

Id	Ther
30	Bike
31	Bike
32	Bike
33	Walk
34	Bike
35	Walk

To the right of the table, there is a 'Line data' section with fields for 'Id:', 'Ther:', 'Sub-them:', 'Region:', 'Internal name:', 'Ac-tive:', 'Public:', 'Geometry:', and 'Detail:'. Below the table, there is a copyright notice '© 2014'. The main content area is dominated by a large map window showing a satellite view of a village (Senožec) with a blue route overlaid. The map includes navigation controls and a 'Google' logo. At the bottom of the map window, there are 'OK' and 'Cancel' buttons. The footer of the map window contains the text 'Podatki na zemljevidu ©2014 Google Slike ©2014, Onea/Spot Image, DigitalGlobe' and a link 'Javi napako zemljevida'.
